SPECIAL LAUNCH EVENT

Acoustics are our passion. Innovation is what fuels our drive to produce exceptional products for our most demanding customers.

Based on our experience in realizing reference solutions for professional applications, and in our continuous search for excellence, AKG are pleased to announce our new premium audio tool – the AKG K812 flagship studio mastering headphones.

We would like to personally invite you to our worldwide release event at the prestigious Red Bull Studios in central London where you'll be able to experience the superior sound of the K812 headphones in a professional studio environment.

The event takes place on the 9th and 10th October 2013. We'd very much appreciate your registration in advance by replying to

[AKG-K812@harman.com](mailto:AKG-K812@harman.com)

Please let us know your preferred 1 hour slot for a personal demonstration on either the 9th or the 10th, and we will get back to you with a confirmation or suggestion for other slots that remain open.

**Dates: 9th & 10th October 2013**

**Time: 10:00am – 8:00pm**

**Red Bull Studios, 155 – 171 Tooley Street  
London, SE1 2JP UK**
